SANTA CLARA

SANTA ROSA

INDUSTRY LEADING HOME FURNISHINGS SINCE 1957

For 63 years and 3 generations our former family brand was Eastern-The Furniture Company. We have always challenged the norm and searched for better ways to service our customers. This dedication to excellence has made the Eastern brand iconic to Silicon Valley and beyond since 1957.

While we embrace our rich past, we also look forward to the future as we re-brand, improve and expand into new territory.

A current Furniture Today Magazine article quotes...
"Eastern rebrands and expands with the former Pedersens site in Santa Rosa combining over 190 years of design experience."

Today we proudly unveil our new brand and identity as Santa Clara joins Santa Rosa and we become one as Mark Thomas Home.

Our new identity incorporates new technologies and construction design services. We are more than a large format retail store with quality Name Brands. We are a tactile and emotional experience that truly transforms your house into your home.

We invite you to Come experience our new interior design team, exciting new merchandise and technologies that combine to create a unique design and shopping experience.

Thank you for all your support over so many Generations,

Mark Lasecke and our amazing staff.

CENTURY[®]

“Thayer Coggin is one of the most celebrated names in luxury home furnishings. Entering into business in 1953, Thayer Coggin carved out a unique identity in the home furnishings market through a commitment to modern, classic design. Through founder Thayer Coggin’s vision and Distinguished Design Award honoree Milo Baughman’s creations, Thayer Coggin has amassed a collection of some of the most recognizable furniture designs in the world. Our furniture is proudly handcrafted in High Point, North Carolina. All our upholstered furniture is custom made to order. We offer hundreds of fabric choices in a variety of colors, patterns and materials, and we gladly accept client supplied fabrics. Many of our products are available in a variety of wood and metal finishes.
